

This holiday season, give a gift that **aligns with your values** while **supporting your community**.

Make it easy for your employees and clients to support local merchants and the green economy!

Green Zebra is a local initiative of TB Vets Charitable Foundation – coupon book, green living guide, and directory of sustainable businesses local to the Lower Mainland.

Take advantage of Green Zebra's corporate gifting program

- Recognize employees & consultants
- Thank your clients
- Make a unique gesture that sets you apart!

Send a positive message about your company while rewarding recipients year-round for thinking **green** and **local** in their shopping and eating choices.

Ask about our **competitive volume pricing** and handmade gift bags!

"Vancity purchases Green Zebra guides for staff and corporate gifts. By supporting this social enterprise, we strengthen our community and help build our local green economy."

Maureen Cureton, Vancity Green Business Manager

Add your brand

Personalize your gifts! Each Green Zebra guide contains a TB Vets KeyTag – that's immediate access to BC's original return service for lost keys, going strong since 1946. We will put **your company logo** on the KeyTags in your copies of Green Zebra guide.

Customize the KeyTags on your order of 50 or more, for just \$1 per book. Ask us about other personal touches we can add to your order.
